

# ELDER CANDIDATES

## Ray Agrimson (New)

Ray and his wife Linda have been members of New Covenant since 1985. They have led a small group together for 15 years. He has served in children's ministry and was a youth sponsor for nine years. They enjoy movie nights and watching their grandkids play hockey, basketball, soccer and other sports. The drive to Colorado to visit their boys and families goes quickly by listening to audio books. Ray is looking forward to contributing his gifts and experience to our 230K by 2030 Vision and the Invest in Hope debt elimination project. Philippians 4:6-8 is a favorite scripture which helps bring calm knowing God is in control and does not make mistakes.

## Nathan Boyd (New)

Nathan grew up on the mission field in The Netherlands, and came to Iowa for college where he met Bekah. They were married in 2007 and they enjoy spending time with their four children: playing games, reading together, movie nights, and going to the park or bookstores. Over the years Nathan has served in various roles, including leading a church's children's ministry. They have been involved at New Covenant for over nine years and he looks forward to contributing his time and talents to help our church make an eternal impact. He has experience in theological training and business leadership which will support the elder team at NCBC. Some of the Bible verses that continue to bring him encouragement are: Ephesians 2:8-9 which encapsulates the grace and gift of salvation, and Galatians 2:20 which centers him on what is most important and his identity in Christ.

## Sean Flockhart (Re-Elect)

Sean has attended New Covenant for more than 16 years and became a member in 2016. He is passionate about serving the church and finds joy in connecting others with serving. You've likely seen Sean's smiling face on Sunday mornings at the Welcome Center as he leads the First Impressions Team. Sean has served on the Elder Board since 2023 and has completed his first term, recently in the role of vice-chairman. He attends a weekly men's group and his interests include audio books and exploring new technologies. He enjoys spending time with his family and friends. Sean's favorite Bible verse is Romans 5:8 — it's a reminder not only of God's infinite love for us, but that Christ saved us at our worst: But God demonstrates His own love for us in this: While we were still sinners, Christ died for us.
