Memory Verse: Hebrews 1:1-2a NIV

Long ago in many ways and at many times God's prophets spoke his message to our ancestors. But not at last, God sent his Son to bring his message to us.

The goal of these questions is to foster meaningful discussion and to encourage participants to reflect on God's Word to lead to heart transformation. Feel free to modify or expand upon these questions based on the dynamics and needs of your Small Group.

Big Idea: The Son is greater than all servants because He is the final word of God and fully divine.

Read Hebrews 1

1. In what ways do you see Jesus as a superior revelation compared to the prophets of the Old Testament? How does knowing that Jesus is the ultimate revelation of God affect your view of Scripture and your approach to reading the Bible? How do you personally hear and recognize His voice in your daily life?
2. Sitting on the right hand is a symbol of power and authority. How often do you share with others about the one who makes purification of sins and holds all things together with His power? How can you share the truths about Jesus' superiority with others who doubt His authority?
3. How does the Son's nature reveal the Father to you? What do we know about the Father through the Son? What has the Father revealed to us about the Son?

4. Jesus' name is superior to the angels. How do you honor and revere His name? Do you ever struggle with using His name in vain? How does it make you feel when you hear others use His name in vain?
5. The Son is the radiance of God's glory and the exact expression of His nature. As Christians, we are called to develop our character to be more like Christ. How can you reflect God's glory to the world this week?
6. Quoting Psalm 45, Jesus is said to love righteousness and hate lawlessness. When you think about the things you love or are passionate about, where does righteousness land? How can we create fertile soil to help one another grow in righteousness? How do you stand against lawlessness?
7. Hebrews 1:14 tells us that angels are "ministering spirits sent forth to minister for those who will inherit salvation." Do you see any ways God might be using angels in your life? If so, how?
8. This chapter establishes the supremacy of Christ as the Son of God. Why do you think some people deny His divine nature? Why is it important to understand the nature of Jesus Christ and that He is God in human flesh? In what area of your life do you struggle to make Him supreme? How can you submit to His supremacy and lordship?
