

HOW CAN I SERVE HOPE COMMUNITY DEVELOPMENT ASSOCIATION

The Hope Community Development Association (Hope CDA) construction jobs training program focuses on skills needed to be successful in the construction industry and in all of life, helping men become financially self-sufficient and to mold them into leaders in their workplace, their neighborhoods and their families.

SERVING OPPORTUNITIES

Coach/Mentor: Encourage participants, help set goals, discipleship.

Teach life skills: Classes for life, skills, and discipleship.

Construction: Work alongside participants to help them learn and stay focused at construction job sites.

Contractors, electricians, plumbers, landscapers, and woodworkers: can be retired.

Program Manager: find or create curriculum for teaching skills.

Administrative:

- Volunteer coordinator
- Grant researcher/writer
- Entrepreneurial advisor
- Project expense tracking
