

We Are Saved by Faith in Jesus

Hebrews 11

Family Discussion Starters:

- What is faith?
- Who in the Bible has shown faith?
- How does faith in Jesus give you hope?

Family Activity:

Take time to identify “heroes of faith” in your family or church. Talk about the ways they displayed faith in God’s plan and trusted Jesus through different circumstances. Celebrate these heroes by hosting a dinner, writing a card, or calling them on the phone. Thank them for the ways their faith has strengthened your faith in Jesus.
